

The Toronto Catholic Parent Involvement Committee is a parent-led committee that partners with the Staff and Trustees of the TCDSB to support student achievement through parent engagement.

December 2011

The **2011 CPIC Summit and Parent Out-Reach Conference** was a success! The day would not have been possible without all the parents and CSAC members who took the time out of their day to come out and get information about how to become a more informed parent and CSAC member. The committee would like to thank all the parents, CSAC members, board staff, trustees, custodians, and exhibitors for their support. Results of the summit will be communicated in the new year.

Toronto CPIC is now planning a series of mini-summits / conferences within your community (tentatively Feb 2012). This is another opportunity for parents and CSACs to come together with other schools in their ward to network and share information on how to increase parent involvement and create a welcoming school environment. The successful "ward breakout" discussions of the 2011 CPIC Summit and Conference will now be brought to your community.

All the members of the Toronto Catholic Parent Involvement Committee would like to wish the parents and students a Merry Christmas and a Joyous New Year!
